

FAQs

Q: How do I apply for a position at WSP?

A: Visit www.wsp.com/gofar to submit your details and a covering letter. We will ask you to complete a short questionnaire about your interests and reasons for applying to WSP as part of the application process.

Q: What is the closing date for applications?

A: Applications open in the Autumn and we will continue to shortlist throughout the year until our vacancies have been filled. Please note, you only need to apply once for our Graduate Programme as we will capture your preferences which can be applied to all applicable roles. Early applications are encouraged as places can be snapped up quickly!

Q: What degree disciplines do you recruit?

A: As a constantly growing organisation we consider graduates from varied academic backgrounds including;

· Acoustics	· Economics	· Geography	· Mathematics	· Systems and/ or Communications Engineering
· Air quality	· Electrical Engineering	· Geotechnical Engineering/ Soil Mechanics	· Mechanical Engineering	· Town Planning
· Building Services Engineering	· Environmental Consultancy	· Human Factors	· Microclimate	· Transport Planning
· Building Surveying	· Environmental Assessment Management	· Hydrology	· Quantity Surveying	
· Civil Engineering	· Fire Engineering	· Landscape Architecture	· Structural Engineering	
· Ecology				

Q: Where will I be based?

A: With around 40 offices in the UK, we try to accommodate the preferences of individual applicants. However, because of the volume of graduate applications it is not always possible to offer you your first choice. The more flexible you can be regarding the location, the more opportunities will be open to you.

Q: When will I start working?

A: Our graduate start date is usually the second Monday in September. There is some flexibility on start date if you are not able to join on this date and we can sometimes offer earlier start dates. We recommend you join us before our welcome event in October.

Q: What salary and benefits do WSP offer?

A: We offer a competitive salary and benefits package which varies slightly depending on working location, academic qualifications and experience.

Q: Could there be opportunities to work overseas?

A: Yes, as a global organisation we are able to offer international opportunities. To apply for permanent positions overseas visit www.wsp.com, select the country in which you would like to work and apply directly.

Q: Will I get to meet and work with other graduates?

A: Yes, we encourage networking and relationship building through the PGN and a number of residential induction schemes and graduate meetings.

Q: Do you accept applications from international students?

A: Yes, international students are welcome to apply for our opportunities.

**Can we help societies thrive in
a world we do not control?**

**Can we anticipate the
unforeseeable, perceive the
unexplainable, and plan
something unbelievable?**

**Can we design the
unthinkable?**

**Can we think international
and still act local?**

**Nurture sustainable societies,
connect communities, and
seize opportunities?**

**Can we trace horizons,
hold true to our ambitions,
and hold ourselves
accountable?**

**Can we design a place, where
our friends, families and
neighbours, can thrive?**

What if we can?

WSP
