

Life at WSP

WSP is committed to provide our people with a stimulating, open working environment where everyone feels relevant, valued and supported to deliver their full potential. We work hard to enable our people to balance their work and personal lives and we care about their well-being. Our colleagues go the extra mile to give back to the communities by contributing their own time to support community activities. WSP has been awarded the Caring Company Status by the Hong Kong Council of Social Service and the “Construction Industry Caring Organisation Logo” by the Construction Industry Sports & Volunteering Programme.
