CAUTIONARY STATEMENT AND NON-IFRS MEASURES

CAUTIONARY STATEMENT

• Certain information regarding WSP contained herein may constitute forward-looking statements. Forward-looking statements may include estimates, plans, strategic ambitions, objectives, expectations, opinions, forecasts, projections, guidance, outlook or other statements that are not statements of fact. Forward-looking statements made by the Corporation in this presentation are based on a number of assumptions believed by the Corporation to be reasonable as at November 9, 2021, including assumptions about general economic and political conditions; the state of the global economy and the economies of the regions in which the Corporation operates; the state of and access to global and local capital and credit markets; the anticipated impacts of the COVID-19 pandemic on the Corporation’s businesses, operating results, cash flows and/or financial condition, including the effect of measures implemented as a result of the COVID-19 pandemic; the expected benefits of the Golder Acquisition and other acquisitions, the expected synergies to be realized as a result of the Golder Acquisition and other acquisitions.

• Although WSP believes that the expectations reflected in such forward-looking statements are reasonable, it can give no assurance that such expectations will prove to have been correct. These statements are subject to certain risks and uncertainties and may be based on assumptions that could cause actual results to differ materially from those anticipated or implied in the forward-looking statements, including risks relating to the COVID-19 pandemic. WSP’s forward-looking statements are expressly qualified in their entirety by this cautionary statement. The complete version of the cautionary note regarding risk factors, which, if realized, could cause the Corporation’s actual results to differ materially from those expressed or implied in forward-looking statements, are included in WSP’s Management’s Discussion and Analysis for the year ended December 31, 2020 which is available on SEDAR at www.sedar.com. The forward-looking statements contained in this presentation are made as of the date hereof and WSP does not assume any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise unless expressly required by applicable securities laws.

NON-IFRS MEASURES

• The Corporation reports its financial results in accordance with IFRS. However, in this presentation, the following non-IFRS measures are used by the Corporation: net revenues; adjusted EBITDA; adjusted EBITDA margin; adjusted net earnings; adjusted net earnings per share; backlog; free cash flow; days sales outstanding (“DSO”) and net debt to adjusted EBITDA ratio. Additional details for these non-IFRS measures, including a reconciliation of such measures to the most directly comparable IFRS measures, can be found in WSP’s MD&A for the quarter and nine-month period ended September 25, 2021 which is posted on WSP’s website at www.wsp.com, and filed on SEDAR at www.sedar.com.

• Management believes that these non-IFRS measures provide useful information to investors regarding the Corporation’s financial condition and results of operations as they provide key metrics of its performance. These non-IFRS measures are not recognized under IFRS, do not have any standardized meanings prescribed under IFRS and may differ from similar computations as reported by other issuers, and accordingly may not be comparable. These measures should not be viewed as a substitute for the related financial information prepared in accordance with IFRS.

ALL AMOUNTS ARE EXPRESSED IN CANADIAN DOLLARS
PERFORMANCE IN LINE WITH IMPROVED GUIDANCE

- Organic revenue growth in all segments
- Favorable results from recent acquisitions
- Healthy backlog and strong project pipeline
Q3 2021
Key Events
STAYING TRUE TO OUR PURPOSE

- Golder continues to deliver results above expectations, fueling continued advancement in the Earth & Environment services sector
- Overall proposal activity continues to be robust
- With the Congressional passage of the bipartisan Infrastructure Investment and Jobs Act, the United States will make historic investments in rehabilitating, modernizing and transforming its infrastructure
- Englekirk adds capabilities in our Property & Buildings sector
MAJOR Q3 2021 PROJECT WINS - UNITED STATES

U.S. Navy's Shipyard Infrastructure Optimization program

• Supporting the U.S. Navy’s Shipyard Infrastructure Optimization Program (SIOP), through a joint venture for improvements to dry docks at Pearl Harbor Naval Shipyard and Intermediate Maintenance Facility (PHNSY) in Hawaii and Puget Sound Naval Shipyard and Intermediate Maintenance Facility (PSNS) in Washington.

• Focusing on modifying and replacing infrastructure to increase efficiency of workflow and operations within the shipyards.
MAJOR Q3 2021 PROJECT WINS - NORDICS

Energy Island

- Denmark is establishing the world's first energy islands, marking the beginning of a new era for large-scale offshore wind power.

- WSP will undertake all environmental base line investigations (birds, bats, marine mammals, fish and fish populations and benthic flora and fauna, and interpretation of geophysical data to broad scale habitat maps.
MAJOR Q3 2021 PROJECT WINS - APAC

Road to Zero - Speed & Infrastructure Program

• Providing investigation, design and construction supervision for road safety improvement projects across a series of corridors in New Zealand.

• Providing environmental site investigations, geological and geotechnical modeling, and design services for the North East Link Project.

• Objective of reducing deaths and serious injuries from roadway incidents in Australia by 40%.
Q3 2021 Overview
