WSP GLOBAL INC.

ADVISORY VOTE ON EXECUTIVE COMPENSATION

ADOPTED BY THE BOARD ON APRIL 22, 2014

AMENDED ON FEBRUARY 23, 2021

The Board of Directors (the "**Board**") of WSP Global Inc. (the "**Corporation**") adopts this policy relating to an annual shareholder advisory vote on executive compensation, commonly known as "Say on Pay".

COMPENSATION DISCLOSURE TO SHAREHOLDERS

The Board believes that shareholders should have the opportunity to fully understand the objectives, philosophy and principles the Board has used in its approach to executive compensation decisions. Through the Corporation's management information circular, the Board strives to provide shareholders with insight into executive compensation as a key aspect of the overall stewardship and governance of the Corporation and to help shareholders understand how decisions about executive compensation are made.

PURPOSE OF "SAY ON PAY" ADVISORY VOTE

The purpose of the "Say on Pay" advisory vote is to give shareholders a formal opportunity to indicate whether they support the disclosed objectives of the executive compensation plans, and the plans themselves. While shareholders will provide their collective advisory vote, the directors of the Corporation remain fully responsible for their compensation decisions and are not relieved of these responsibilities by a positive advisory vote by shareholders.

FORM OF RESOLUTION

The management information circular distributed in advance of each annual meeting of shareholders will ask shareholders to consider an annual non-binding advisory resolution substantially in the following form:

Resolved, on an advisory basis and not to diminish the role and responsibilities of the Board of Directors, that the shareholders accept the approach to executive compensation disclosed in the Corporation's Information Circular delivered in advance of the [insert year] Annual Meeting of Shareholders.

Approval of the above resolution will require an affirmative vote of a majority of the votes cast at the annual meeting of shareholders.

RESULTS OF ADVISORY "SAY ON PAY" VOTE

As this is an advisory vote, the results will not be binding upon the Board. However, the Board will take the results of the vote into account, as appropriate, when considering future compensation policies, procedures and decisions and in determining whether there is a need to increase their engagement with shareholders on compensation and related matters.

The Corporation will disclose the results of the shareholder advisory vote as a part of its report on voting results for the meeting.

In the event that a significant number of shareholders oppose the resolution, the Board will consult with its shareholders, particularly those who are known to have voted against it, in order to understand their concerns and will review the Corporation's approach to compensation in the context of those concerns. Shareholders who have voted against the resolution will be encouraged to contact the Board to discuss their specific concerns.

The Board will disclose to shareholders no later than in the management information circular for its next annual meeting, the changes to the compensation plans made or to be made by the Board as a result of its engagement with shareholders (or why no changes will be made).

ANNUAL REVIEW OF THIS POLICY

The Board recognizes that shareholder engagement and "Say on Pay" are evolving areas in Canada and globally, and will review this policy annually to ensure that it is effective in achieving its objectives.
