Louis Berger, a WSP Company, Awarded Major Multi-Year U.S. Army Contract with Vectrus

NEW YORK, April 17, 2019 – Today, Louis Berger Services, Inc., a WSP company, announced that it won a major contract as a partner to Vectrus, Inc. on the Logistics Civil Augmentation Program V (LOGCAP V) issued by U.S. Army Contracting Command-Rock Island. The company has an exclusive partnership role under Vectrus, the prime contractor, on LOGCAP V.

“We are pleased to be working with Vectrus on this important contract to provide services in support of the U.S. Military worldwide,” said Gregory Kelly, CEO of WSP USA.

The services under the contract will support a full range of worldwide military operations. Louis Berger Services’ exclusive roles will include engineering design, construction management as well as prime and emergency backup power generation, retail energy, bulk fuel, and air terminal operations.

The contract covers an initial five-year ordering period and includes options for five additional one-year periods. The ceiling price for the entire contract is \$82 billion.

The full contract award announcement to Vectrus and Louis Berger Services is available on [FBO.gov](https://www.fbo.gov).
